

Kiwanis®

The Kiwanis Club of Hillsdale Flag Project

Dear Friend of Kiwanis:

Kiwanis will again be offering a subscription service to the community to install flags at residences and businesses, along local streets and cemeteries prior to five major flag holidays (Memorial Day, Flag Day, July 4th, Labor Day and Veteran's Day). The flags are picked up by Kiwanis members and stored after each holiday. For just \$35 per flag per year, you simply write a check to Kiwanis and we do the rest.

We'll install a ground sleeve which will be used to hold the flag. If you're a business without a green space for ground installation, we have a heavy-weight stand that will be placed on the sidewalk outside of your business. The flags are 3'x5' and mounted on a metal pole. They will be located in approximately the same position in front of each home or business, creating a beautiful symmetry along each street.

Subscriptions may be purchased by individuals, businesses or foundations. You can choose to have us place your flag in your yard, at the fairgrounds, or one of the cemeteries (St. Anthony's, Lakeview or Oakwood). We also place flags in the city of Jonesville.

Join your neighbors in showing your pride in your community and country by
sending your check for **\$35 per flag,**
payable to **Kiwanis Club of Hillsdale**

**PO Box 202
Hillsdale MI 49242**

Next year we'll simply send you an invoice to remind you to renew your subscription for the next flag season.

If you have any questions about the Kiwanis Flag Project, you can contact us at <https://hillsdale-kiwanis.org> or leave a message for Doug French (703) 328-9131 or Wes Wickham (517) 281-9360. Thank you for supporting your local Kiwanis club in our efforts to support our youth in developing into the leaders of tomorrow. All funds raised are used to support local youth projects. Thanks again!

Return bottom portion w/payment. Please print all information clearly. Keep top portion for your records.
